DRAGONFLY 36
PERFORMANCE CRUISER

DESIGNER'S COMMENTS

Please welcome our NEW DRAGONFLY 36 PERFORMANCE CRUISER - where a harmonious blend of cutting-edge design and unparalleled functionality meets.

This remarkable and innovative sailing trimaran is engineered to impress and stand out, featuring a groundbreaking wave-piercing main hull design, that ensures smooth, efficient and safe sailing on every voyage.

Tailored for families and sailing enthusiasts alike, the DRAGONFLY 36 is designed for effortless handling and shorthanded sailing, making it the perfect companion for your adventures at sea. Step aboard and experience a spacious dual-zone cockpit that invites for relaxation and social interaction, alongside a stylish, modern interior that

seamlessly combines comfort and practicality.

Setting a new benchmark in offshore sailing, this exceptional cruiser/racer prioritizes safety and family-friendly features, ensuring that every journey is as enjoyable as it is memorable.

Embrace the next generation of sailing with the DRAGONFLY 36, where performance meets elegance, and every voyage transforms into an extraordinary adventure.

Welcome aboard!

THE DRAGONFLY 36 IS AVAILABLE IN TWO VERSIONS: TOURING AND PERFORMANCE

Both the TOURING and PERFORMANCE versions feature a revolutionary wave-piercing float and main hull design, ensuring a smooth and stable ride through any waters. Each model is equipped with lightweight carbon masts, promising enhanced speed and agility.

TOURING Version: Perfect for explorers and leisure sailors alike, the TOURING version comes with a self-tacking jib, making it incredibly easy to handle while you enjoy the beauty of your surroundings. Glide through the water effortlessly, whether you're embarking on a weekend getaway or a longer voyage.

PERFORMANCE Version: For the sailors seeking that extra gear in the fast lane, the PERFORMANCE version offers an even taller rig and an overlapping furling headsail, maximizing your sailing potential. Experience exhilarating speeds and responsiveness that will redefine your expectations on the water.

Choose your adventure - whether it is the TOURING or the PERFORMANCE version, our trimarans are designed to meet your sailing dreams.

FAST, FUNCTIONAL AND RELAXING

Experience the thrill of cruising in the fast lane with double digit sailing speed in the exceptional DRAGON- FLY 36. Meticulously crafted, this trimaran redefines comfort, performance, practicality, and handling ease - perfect for short-handed or single-handed sailing adventures.

A spacious dual-zone cockpit, designed for relaxation and functionality. Enjoy real comfortable seating in the forward area while all control lines for effortless managing are led aft to four electric winches placed by the twin helm wheels. A layout ensuring that every maneuver is within reach, enhancing your cruising experience.

With the DRAGONFLY 36 the well known DRAGONFLY SWING WING system comes in a high-tech all- composite construction. This unique and revolutionary construction makes the Dragonfly SWING WING system simpler, lighter, and stronger - transforming the way you manage the SWING WING system. With a quick and easy reduction of the beam in seconds, using no tools, the DRAGONFLY SWING WING system offers unparalleled convenience and maintenance ease.

Equipped with a fixed bowsprit, the DRAGONFLY 36 ensures easy use of downwind sails—like the optional fixed Code-0 which makes sailing easier, more fun, and faster.—Enhancing your performance on the water. It also simplifies anchoring, making each stop along your journey elegant and effortless.

EXTERIOR LAYOUT

Each wheel pedestal is designed to accommodate up to a 12" GPS plotter, along with additional navigation displays. You will also find dedicated space for bow thruster and windlass control panels, ensuring a seamless sailing experience.

Above the companionway, there's generous room for navigation displays up to 7" in size, keeping all your vital information easily Accessible for all on board.

Our kick-up rudder and centerboard system allows you to let the boat dry out or beach it with ease, but also providing peace of mind by preventing

impact damage while sailing. The strategic placement of the sail drive and dual-blade propeller further protects your boat, ensuring it rests securely on the lowest part of the center hull when drying out. With only 65 cm draft, every anchor spot will welcome you as well. The DRAGONFLY 36 offers an extremely stabile platform at an- chor.

When it's time to cool off, simply jump in from the open stern. A convenient bathing ladder is located on the starboard float, allowing for easy reboarding after your swim.

Experience the perfect blend of performance, functionality and comfort.

SPACIOUS INTERIOR LAYOUT

Step down from the cockpit into the heart of the DRAGONFLY 36, where a magnificent view of the main cabin greets you—setting a new standard for spacious interior and cabin layout for a 36’ trimaran—Here, the elegance of light Ash wood or the refined beauty of the optional Elm wood surrounds you, with hand-sprayed varnish ensuring both lasting durability and easy maintenance.

The main cabin offers a cozy atmosphere, illuminated by panoramic views through large cabin windows and natural down light from the flush-mounted skylight, all while providing full standing headroom of 199 cm for your comfort.

Gather with friends and family around the large foldable dinette, designed to accommodate up to 6-8 people.

The port sofa effortlessly transforms into a double bed, making room for everyone.

Further ahead, you’ll discover a separate head for added privacy and convenience, combined with an optional shower system. The inviting forward cabin features a spacious V-berth, where ample daylight streams through a skylight and two large hull portlights.

Peek behind the starboard aft door to find a luxurious private double aft cabin, complete with a seat and a generous double bunk for relaxing nights at sea.

The DRAGONFLY 36 unveils a revolutionary galley design, elevating the culinary experience onboard. Equipped with a built-in 2-burner gas stove and combined oven. The galley features large drawers and cabinets for all your storage needs, a built-in double garbage bin, and dedicated space for a large 85-liter fridge at galley top level.

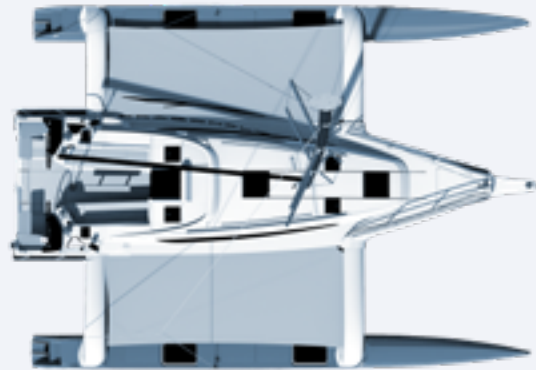

Every DRAGONFLY 36 is hand crafted uniquely to fulfill the dreams and desires of its new owner, ensuring that your DRAGONFLY 36 is as individual as you are.

We take pride in saying that this exquisite craftsmanship is MADE IN DENMARK.
